

Monsterslide 11m

This inflatable attraction is not for the faint of heart! This Monsterslide is no less than 11 meters high, so it certainly lives up to its name. It is one of the largest and most spectacular slides in the JB range. You will impress people with this attraction!

The Monsterslide is not only very tall, but it is also very long; 54 meters even. So nice and long glide! You can also compete against each other, thanks to the double staircase and wide slide. Who's down first?

Buy a large water slide at JB Inflatables

Are you looking for a giant water slide as a crowd puller for an event? Then the inflatable Monsterslide is for you. These Mega Slides are there to impress participants and the audience. The Monsterslides are available in two heights: 8 meters and 11 meters.

The inflatable is delivered in four parts, which makes transport and assembly and disassembly easier. The Monsterslide has extra high walls on the platform to guarantee safety. The XL slide is equipped with a replaceable slide and step deck. Ideal in case of wear and tear and convenient for cleaning. In addition, the super water slide is extra easy to clean up because it has various air outlets so that the attraction can quickly be flattened and rolled up again.

The slide comes with 4 blowers, anchoring material, a transport bag and a clear manual.

Order a professional Monsterslide; an exciting water attraction!

JB's Mega Monsterslides are suitable for a wide variety of events. Think of a festival, an important sports competition or the highlight of a heptathlon. Participants can compete with each other with this professional slide XL. In addition, it is a real crowd-puller. Who doesn't like to see someone else slide down? By the way, setting up this huge air cushion is not difficult at all. The Monsterslide is rock solid in half an hour.
