

Dinosaur

Want to get noticed? You definitely will with this dinosaur

What do you mean, dinosaurs are extinct? No way! Just look at this impressive dino. Quite realistic, don't you agree? Standing a staggering 6 metres tall, this prehistoric creature, but it does not harm a fly. Because it is an inflatable dino and a great way to liven up parties, anniversaries, or openings. Or consider recommending it for a kids' party! JB-Inflatables has included various giant inflatable animal figures in its product range that can be used for a variety of occasions. This green, grinning beauty of a dinosaur is one of them.

Bring a dino back to life within 10 minutes!

All it take is some 10 minutes to breathe life into a dinosaur. With the user manual included it is a very simple job to do, even if one person has to do it alone. We also supply the materials needed to transport and fasten this giant of a dinosaur in one complete package. It goes without saying a blower is also conveniently included.

Premium quality with a 2-year warranty

JB reinforces the tension points of its animal figures and they are multiply stitched. In addition, they are made of strong, high-quality PVC, which also makes this dino durable and easy to keep clean. As a standard, we provide a 2-year warranty for all our inflatable animal figures, allowing you to offer a product with party fun until eternity.

Purchase this giant, cheerful inflatable dinosaur and deliver the experience your customers and the person celebrating a birthday or anniversary will remember as the day of their lives!

More than 15,000 customers also opted for JB

For over 15 years, JB has given people around the world a reason to party, shine and smile, which we love to do. Our designers, developers and logistic staff consider it to be their mission to create unique inflatable attractions. And with JB you are always assured of our professional service and delivery!
