An eye-catcher that is guaranteed to impress your audience

Is your customer looking for an appealing stage on which to host a presentation, speech or performance? For an occasion such as a party or event (anniversary, marriage, business opening, product launch, in-house fair, open day, to name but a few)? Then this inflatable stage shaped like the Sydney Opera House is definitely a suitable object. In fact: we know for sure the audience visiting the party or event will be just as impressed by this building from Down Under. Because the Sydney Opera appeals to everybody!

An Opera House within 20 minutes

It took the Australians much longer to put up the Sydney Opera House, because this version takes no more than 20 minutes to set up wherever your customer wants. We conveniently supply it with two extendable flights of steps and - it goes without saying - all other accessories included, such as a manual and a blower.

A 2-year warranty on this top tent

All stages by JB have several reinforced tension points and are multiply stitched. In addition, they are made of strong, high-quality PVC M2 to make them flame retardant as well as durable and easy to keep clean. In addition, we provide a 2-year warranty for them, allowing you to offer a product with years of optimum use.
